

LET'S TALK ENTERPRISE

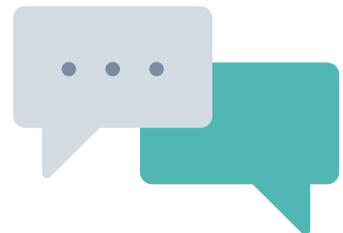

Our enterprise marketplace solution is tailored for those looking to scale their **high-volume** and **fast-growing** businesses. Chat with us and let us know more about your marketplace requirements.

We will partner you with one of our Arcadier Expert Partners, or use your own development partner, to help you build your marketplace.

Arcadier Expert Partners

Arcadier's Development Partners will work closely with you to bring your marketplace ideas to life. You will be billed directly by them depending on the complexity of your marketplace and the features required.

Arcadier Enterprise Pricing

Our monthly hosting fee starts from

USD \$ **3,000** /month*

*Excluding Arcadier Expert Partners or your own 3rd party developer fees for marketplace build

HOW DOES IT WORK ?

1. **Register** your interest with us.

2. **Tell us** your marketplace requirements.

3. **Pick** an Arcadier expert partner **or bring** your own developer.

4. The developer **builds** on our API library.

5. Your marketplace goes **live**.

What **Our** API Enterprise Platform Offers

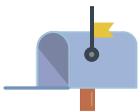

Unlimited Users & Transactions

Grow and scale your marketplace beyond your wildest imagination.

Unlimited API Calls

Get access to our growing list of APIs, and the new ones too!

2nd Level Email/Phone Support

Focus on growing your marketplace. Let us deal with the technical bits!

Custom SSL

Arcadier provides standard SSL Certificates, but you may purchase your unique SSL certificates.

Data Extraction

Your marketplace data is yours to keep! If you wish to leave the Arcadier platform, we will assist you in extracting your marketplace data.

Fully Hosted *

Arcadier will host and manage all your marketplace data, including your frontend codes in HTML and CSS.

** Hosting requirements will be ascertain during our meeting which will influence the final Arcadier Enterprise Pricing*

We will work with you to ensure the right DNS entries are created if you need to split your marketplace and corporate servers.
